WHY CHOOSE US

Kendall Electric offers a comprehensive family of Power Transmission (PT) products to keep our customers' operations running productively and profitably. We carry the top PT brands and apply our expertise to decrease downtime, improve safety, reduce maintenance costs, and help our customers explore ways to improve how they run their business. Our sales and specialists teams are known for exceptional service and support. We believe that providing excellent service is a combination of streamlined procedures, effective communication, preparation and planning.

SERVICES

When your motor goes down or needs service, we can take the guess work out of the repair. Kendall Electric understands that your schedule is full and can offer pick-up and delivery to most tri-state area locations. We offer solution based services in a timely and cost effective manner to reduce your down time and get your machines back up and running. Service options include:

- Motor Repair
- Pump Repair
- Motor Rewinding
- Dynamic Balancing
- Pick-up and Delivery
